

SMS

SURFACE MOUNT SHROUD

THESE SURFACE MOUNT SHROUD KITS ARE EASY TO ASSEMBLE AND QUICK TO INSTALL

Our SMS kits are a versatile and secure way to surface mount LED flat panels, troffers and other LED fixtures.

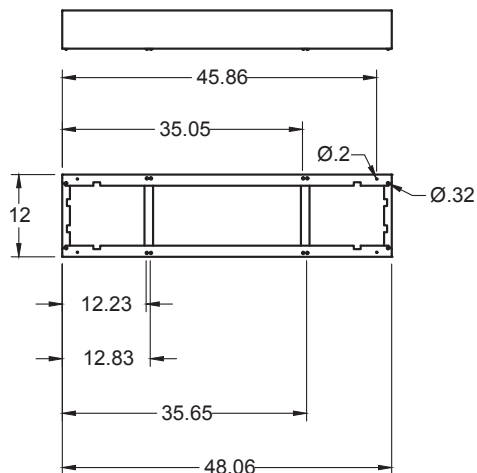

CONSTRUCTION: Kits are constructed from 20 gauge steel (standard). Finish is a white TGIC, polyester powder coat – 5-stage pre-treatment for a clean and professional appearance.

MOUNTING: Mounting instructions can be found at: <https://aelnow.com/resources-page/sms-installation-instructions-2/>
